Points for discussion

Tables 1 & 2 – Digital tools

▸ What are the opportunities and challenges when designing digital tools?

▸ How do you capture and implement ideas to make information more transparent & accessible in your parliaments?

Tables 3 & 4 – Outreach programmes

▸ Does your service have a structured approach to engaging with citizens, built on the UN Sustainable Development Goals or other programmes/ideas?

▸ What are the challenges in increasing uptake & sustaining outreach projects?

Tables 4 & 5 – Connecting librarians and researchers

▸ How do librarians and researchers collaborate in your parliaments, especially if they are not located together in the same teams or buildings?

▸ How can we increase cooperation to ensure the best possible service for Members and their staff?
