

# IFLA Strategy 2024-2029

## ROADMAP FOR PUBLIC LIBRARIANS

Prepared by Merve Yavuzdemir.

### CONNECT TO THE GLOBAL NETWORK!

**"We are stronger together."**

Open your library not just to your neighborhood, but to the world. Join international collaborations, volunteer with IFLA, share your experiences.

*Solidarity, Community, Sharing*

### ENGAGE IN ADVOCACY!

**"Let libraries be the voice of change."**

Establish relationships with local authorities, educators, NGOs, and the media. Use IFLA's resources for advocacy and make your library's impact visible.

*Representation, Influence, Visibility*

### CREATE MEANINGFUL CHANGE!

**"A small event can make a big difference."**

Develop innovative projects that respond to the real needs of your community. Measure and share your impact.

*Sustainability, Social Impact, Participation*

### EMPOWER YOURSELF AND YOUR TEAM!

**"A strong library needs a strong team."**

Attend professional development trainings, gain new skills, nurture young leaders, and create a culture of inspiration within your team.

*Training, Leadership, Future*

### PREPARE YOUR LIBRARY FOR THE FUTURE!

**"Inclusive, green, and innovative libraries are the key to the future."**

Implement eco-friendly practices, offer digital services, and create accessible programs to build the 21st-century public library.

*Green Library, Digitalization, Accessibility*

### CHANGE IS POSSIBLE WITH YOUR EFFORTS!

Libraries are powerful spaces that transform the future of individuals and society.

**You are at the heart of this transformation.**
